Kirsten Walli
Board Secretary
Ontario Energy Board
Suite 2701
2300 Yonge Street
Toronto ON M4P 1E4

Dear Ms Walli:

**Re: Board File Number: EB-2010-0279
Ontario Power Authority ("OPA")**

We are counsel to the Consumers Council of Canada (the "CCC").

By this letter we are requesting that our client be made a late intervenor in the Board's review of the OPA's proposed expenditure and revenue requirements and the fees which it proposes to charge for 2011.

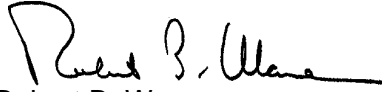

The CCC represents the interests of the broad array of residential consumers of electricity in Ontario. The Board's approvals in this matter will have an impact on the rates paid by those residential consumers. The CCC is a public-interest, non-profit entity which has no revenues of its own to support its intervention. The CCC will, therefore, seek an award of costs at the end of the proceeding.

We would appreciate your having all materials with respect to the proceeding delivered the writer, and to Julie Girvan, the CCC's consultant. Ms. Girvan's contact information is: 62 Hillside Avenue E. Toronto, ON M4S 1T5, telephone: 416-322-7936, fax: (416)322-9703, e-mail: jgirvan@ca.inter.net.

We apologize for the late filing of this request. We acknowledge that it is too late for our client to make submissions on the draft issues list. Our client accepts the issues list as it is.

Yours very truly,

WeirFoulds LLP
