### **PROCEDURAL ORDER No. 13**

B, as amended, for an order of the Board approving or fixing rates for the distribution, transmission and storage of natural gas, effective January 1, 2008.

Enbridge Confidentiality Request

Enbridge filed a letter on December 7, 2007 seeking an order from the Board that any rulings in this proceeding with respect to Union's Reporting and Record Keeping Requirements ("RRR") filings should apply mutatis mutandis to Enbridge. Enbridge noted that the release of Union's confidential RRR filings has been considered in the Board's Procedural Order No. 10 and its letters dated December 3 and 7, 2007 which clarified that such RRR filings were confidential; and that anyone who wished access to them was required to sign the Board's standard form of Undertaking (which the Board has held to obviate the necessity of a specific no trading undertaking in relation to securities laws).

Please be aware that further procedural orders may be issued from time to time.

**The Board therefore orders that:**

1. Enbridge is to provide its last annual and last three quarterly RRR filings to parties that sign the Board's Form of Declaration and Undertaking with respect to confidentiality.

**DATED** at Toronto, December 10, 2007.
