Dear Mr. Cowan:

**Re: Natural Resource Gas Limited 2011 Cost of Service Application  
Board File No. EB-2010-0018**

Natural Resource Gas Limited ("NRG"), filed an application dated February 10, 2010 with the Ontario Energy Board under section 36 of the *Ontario Energy Board Act, 1998*, S.O. c.15, for an Order or Orders approving or fixing just and reasonable rates and other charges for the sale, distribution, transmission and storage of gas for the 2011 fiscal year, commencing October 1, 2010. The Board assigned file number EB-2010-0018 to the Application.

The Board issued its Decision on NRG's 2011 rates on December 6, 2010. In the Decision, the Board directed NRG to file the terms of reference with respect to an engineering study of the NRG distribution system within two weeks of the Decision date.

NRG submitted a letter to the Board on December 17, 2010 requesting an extension until January 31, 2011 to file the terms of reference.

The Board accepts NRG's request and extends the deadline to file the terms of reference for an engineering study until January 31, 2011.

Yours truly,
