Board Secretary  
**ONTARIO ENERGY BOARD**  
2300 Yonge Street, Suite 2700  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: EB-2007-0791 – Intervention by Direct Energy Marketing Limited.**

I am writing to request intervenor status for Direct Energy Marketing Inc. ("Direct Energy") in the Review of Fiscal 2008 Proposed Expenditure and Revenue Requirements and Fees Submission of Ontario Power Authority, EB-2007-0791. As a vertically integrated energy services company and licensed retail marketer serving residential and commercial customers throughout Ontario, Direct Energy is interested in ensuring that the proposed revenue requirement and usage fees are appropriate.

Direct Energy plans to participate in the hearing and may file evidence subject to a review of the application. Direct Energy expects that matters which are not settled by the parties will be considered by the Board either in writing or through oral submission. Direct Energy will be represented by Sam Van and will cover the cost of its intervention.

Yours truly,  
**DIRECT ENERGY**
