Dear Ms. Walli,

Re: EB-2007-0791

The Association of Power Producers of Ontario (APPRO) requests Observer status in the above noted proceeding. Other than to indicate our preference for a written hearing as a cost-effective and efficient manner in which to proceed, APPRO does not intend to provide comments, or to make any oral presentation.

We reserve all our rights with respect to this hearing including seeking Intervenor status at a later date should such be required.

Sincerely,

A handwritten signature in black ink. The signature is stylized, starting with a large, sweeping loop on the left, followed by several smaller, more intricate strokes that end in a short horizontal line on the right.
