Dear Ms. Brant:

**Re: Cost Eligibility Request on Behalf of the Ontario
Sustainable Energy Association, EB-2010-0228**

In response to the request for clarification by the Ontario Sustainable Energy Association ("OSEA") in regards to cost eligibility, the Board notes that the OSEA was granted cost eligibility in its letter of October 8, 2010. The OSEA may file its claim with the Board as described in paragraphs 88 and 89 of its Decision and Order, EB-2010-0228, December 17, 2010.

Yours truly,
