Revocation of Confidentiality Declarations

Further to my letter to you dated December 22, 2010 wherein I enclosed two Confidentiality Declarations for the above-captioned cases executed by myself and Canadian Energy Efficiency Alliance's consultant in these cases, Marion Fraser, and further to my e-mail later on that day, enclosing another Confidentiality Declaration executed by Judy Simon, upon further reflection we wish to withdraw all of these Confidentiality Declarations. Upon further consideration we have concluded that we will be able to do the required analysis without access to the Confidential information.

Yours truly,
