Dear Mr. Rennick:

**Re: Intervenor Status and Cost Eligibility
Application for Board-Approved CDM Programs
Board File No. EB-2010-0331/EB-2010-0332**

On December 22, 2010 the Board received e-mail correspondence from you in response to the Board's Procedural Order No. 1. In that email, you requested that the Board reconsider its Decision on Cost Eligibility for this proceeding.

The Board has reconsidered its Decision on Cost Eligibility found within Procedural Order No. 1 dated December 21, 2010. The Board has decided to reserve its decision relating to whether or not you will be eligible for an award of costs until the conclusion of this proceeding.

The Board reminds you, that as an individual intervenor, the following information should be used as guidance for what costs you may or may not recover in a cost award:

- you may be eligible to recover out-of-pocket costs for photocopying or for travel to attend Ontario Energy Board related events if required;
- you will not be eligible to receive any costs (out-of-pocket travel costs or otherwise) for events organized by persons other than the Ontario Energy Board;
- you will likely not be eligible to receive any costs associated with your time (e.g., the time you spend preparing interrogatories, submissions, etc.); and
- no costs are available in advance.

This determination is subject to Hydro One Network Inc.'s and Hydro One Brampton Network Inc.'s right to reply to your request within 14 calendar days from the filing of this letter.

Yours truly,

Original Signed by

John Pickernell
