Dear Mr. Lebeau:

**Re: Application for Electricity Wholesaler Licence
Board File Number EB-2007-0941**

This will acknowledge receipt on December 19, 2007 of some of the additional material that was requested in our letter of December 10, 2007 regarding your application for an electricity wholesaler licence.

Your application is currently incomplete and cannot be processed until the following has been filed:

Section 7, Financial Information – you indicated that the applicant is a new corporation and provided the most recent financial statements that show no operational activity since inception in 2006. These financial statements do not provide any information in support of your financial state of affairs.
Can the applicant provide other forms of financial information to support the application; for example pro forma statements, evidence of satisfying IESO prudential requirement, parental guarantee and/or a letter from the applicant's bank that demonstrates any line of credits available?

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on diskette or by e-mail to boardsec@oeb.gov.on.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Analyst, Market Operations, Licensing at +1 (416) 440-8138 or e-mail, Irina.Kuznetsova@oeb.gov.on.ca.

Yours truly,
