RE: Submission of the School Energy Coalition (SEC) in Chatham-Kent Hydro Inc.'s 2011 IRM application (EB-2010-0074)

The Board is in receipt of SEC's submission in the subject matter dated January 13, 2011. In its submission, SEC alleges, among other things, that Chatham-Kent Hydro Inc.'s proposals for revenue to cost ratio adjustments for 2011 breach the Board approved Settlement Agreement in Chatham-Kent Hydro Inc.'s 2010 cost of service application (EB-2009-0261).

The Board has reviewed the submission and considers this to be a serious matter. The Board has, however, determined that it will await Chatham-Kent Hydro Inc.'s reply submission due on February 3, 2011. At that time, the Board will consider whether further procedural steps will be required to resolve the matter before issuing a decision on Chatham-Kent Hydro Inc.'s 2011 IRM application.

Yours truly,

Kirsten Walli
Board Secretary
