Dear Mr. Sprackett:

**Re: Intervenor Status of Power Workers' Union
Application of Chatham-Kent Transmission Inc.
Board File No. EB-2010-0351**

The Board is in receipt of your letter of January 19, 2011 requesting late intervenor status for the Power Workers' Union ("PWU") in the above-noted proceeding.

The Board has determined that it will grant the PWU late intervenor status subject to the condition that the PWU accepts the record as it stands and will not be able to make submissions with respect to the claim for confidentiality submitted by Chatham-Kent as the date for submissions has passed.

Chatham-Kent has seven calendar days to object to the PWU's request, until January 31, 2011.

Yours truly,
