**NOTICE OF APPLICATION AND WRITTEN HEARING FOR LEAVE TO CONSTRUCT
NATURAL GAS PIPELINES TO ENHANCE PIPELINE CONNECTIONS BETWEEN
DOW MOORE , CORUNNA, AND SECKERTON DESIGNATED GAS STORAGE
POOLS IN THE TOWNSHIP OF ST. CLAIR IN LAMBTON COUNTY**

ENBRIDGE GAS DISTRIBUTION INC.

Enbridge Gas Distribution Inc. (the "Applicant" or "Enbridge") filed an application with the Ontario Energy Board on December 17, 2010, under section 90 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Schedule B for an order granting leave to construct approximately 3,500 meters of 4 segments of extra high pressure pipelines, to enhance pipeline connections between Dow Moore, Corunna, and Seckerton natural gas storage pools in the Township of St. Clair in Lambton County. The Board has assigned the application file number EB-2010-0302.

The four proposed pipeline segments are required to move gas to and from the Dow Moore, Corunna, and Seckerton storage reservoirs, and the Corunna Compressor Station. The proposed routes for the four segments are as follows:

1. The first segment of pipeline is approximately 1,900 metres of nominal pipe size ("NPS") 20 (inches in diameter) steel pipeline ("Interconnect Pipeline"). The Interconnect Pipeline will connect to the existing Dow Moore Pool Line via a new metering station ("Dow Moore Metering Station"), and then to two metering stations at the Seckerton and Corunna storage reservoir sites ("Seckerton Metering Station" and "Corunna Metering Station", respectively).

2. The second segment is approximately 1,500 metres of NPS 20 steel pipeline. This pipeline will connect to the gas wells in the Seckerton storage reservoir through new lateral connections, and the pipeline will tie-in to the Seckerton Metering Station.
3. The third segment is approximately 50 metres of NPS 20 steel pipeline ("Seckerton Pool Line Station Tie-In"). The Seckerton Pool Line Station Tie-In will connect the existing NPS 20 steel Seckerton pool line to the Seckerton Metering Station.
4. The fourth segment is approximately 50 metres of NPS 16 steel pipeline ("Corunna Pool Line Station Tie-In"). The Corunna Pool Line Station Tie-In will connect the existing NPS 16 steel Corunna pool line to the Corunna Metering Station.

This pipeline project is part of Enbridge's storage enhancement programme which also includes replacement of Corunna Pool Gathering Pipeline and delta pressuring (increasing the pressure) of Corunna and Seckerton storage pools. Approval of the Board is required only for the four segment pipeline project. A map showing the location of the proposed pipeline segments route is attached as Appendix "A" to this Notice. Construction is planned to start in June 2011. In-service is planned for September 2011.

How to see Enbridge's Application

Copies of the application are available for inspection at the Board's office in Toronto and on its website, www.oeb.gov.on.ca/OEB/Industry, and at Enbridge's office and may be on its website.

Written Hearing

The Board intends to proceed with this matter by way of a written hearing unless a party satisfies the Board that there is a good reason for holding an oral hearing. If you object to the Board holding a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. Any submissions supporting an oral hearing must be received by the Board and copied to the applicant within **10 days** of the publication or service date of this notice.

How to Participate

You may participate in this proceeding in one of three ways:

1. Become an Intervenor

Intervenors participate actively in the proceeding (i.e., submit written questions, evidence, and arguments, and cross-examine witnesses at an oral hearing).

A request for intervenor status must be made by letter of intervention and be received by the Board no later than **10 days** from the publication or service date of this notice. A letter of intervention must include: (a) a description of how you are, or may be, affected by the outcome of this proceeding; (b) if you represent a group, a description of the group and its membership; and (c) whether you intend to seek an award of costs and the grounds for your cost award eligibility.

You must provide a copy of your letter of intervention to the applicant.

Everything an intervenor files with the Board, including the intervenor's name and contact information, will be placed on the public record, which means that all filings will be available for viewing at the Board's offices and will be placed on the Board's website.

If you already have a user ID, please submit your intervention request through the Board's web portal at www.errr.oeb.gov.on.ca. Additionally, two paper copies must be submitted to the address set out below.

If you do not have a user ID, visit the Board's website under e-Filing Services and complete a user ID/password request form. For instructions on how to submit documents and naming conventions please refer to the RESS Document Guidelines found at www.oeb.gov.on.ca/OEB/Industry, e-Filing Services.

The Board also accepts interventions by e-mail, at the address below, and again, two additional paper copies are required. Those who do not have internet access are required to submit their intervention request on a CD in PDF format, along with two paper copies.

2. Send a Letter with your Comments to the Board

If you wish to comment on the proceeding without becoming an intervenor, you may submit a letter of comment to the Board Secretary.

All letters of comment sent to the Board will be placed on the public record, which means that the letters will be available for viewing at the Board's offices and will be placed on the Board's website.

Before placing the letter of comment on the public record, the Board will remove any personal (i.e., not business) contact information from the letter of comment (i.e., the address, fax number, phone number, and e-mail address of the individual). However, the name of the individual and the content of the letter of comment will become part of the public record.

A complete copy of your letter of comment, including your name, contact information, and the content of the letter, will be provided to the applicant and the Hearing Panel.

Your letter of comment must be received by the Board no later than **30 days** from the publication or service date of this notice. The Board accepts letters of comment by either post or e-mail at the addresses below.

3. Become an Observer

Observers do not participate actively in the proceeding but receive documents issued by the Board in the proceeding. There is no fee for observers to receive documents issued by the Board.

A request for observer status must be made in writing and be received by the Board no later than **10 days** from the publication or service date of this notice. The Board accepts observer request letters by either post or e-mail at the addresses below.

All letters requesting observer status will become part of the public record, which means that the letters will be available for viewing at the Board's offices and will be placed on the Board's website.

Before placing the request for observer status on the public record, the Board will remove any personal (i.e., not business) contact information from the request (i.e., the address, fax number, phone number, and e-mail address of the individual). However, the name of the individual and the content of the request for observer status will become part of the public record.

Observers may also request documents filed by the applicant and other parties to the proceeding but must request these documents directly from the relevant party. Observers may be required to pay for the costs of reproducing and delivering the material.

Most documents filed in this application will also be available on the Board's website.

How to Contact Us

In responding to this Notice, please reference Board file number EB-2010-0302 in the subject line of your e-mail or at the top of your letter. It is also important that you provide your name, postal address and telephone number and, if available, an e-mail address and fax number. All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
