**Re: Great Lakes Power Transmission LP (“GLPT”)
Transmission Rate Application for 2011 and 2012 – (EB-2010-0291)**

On January 21, 2011 in accordance with Procedural Order No. 1 in the noted proceeding (EB-2010-0291), the Applicant, Vulnerable Energy Consumers Coalition, Energy Probe Research Foundation, and Schools Energy Coalition filed a Proposed Settlement Agreement (“PSA”) with the Board.

The Board has determined that it does not require an oral presentation and therefore the presentation day of the PSA originally scheduled for this Friday, January 28, 2011 has been cancelled. The Board will proceed in writing if it has questions.

Yours truly,
