Dear Secretary and Sirs:

**RE: File Number EB-2010-0381 – Leave to Construct Natural Gas Pipeline and Ancillary Facilities in the City of London and the Municipality of Middlesex Centre, in the County of Middlesex**

**Application for Intervenor Status – Ian Goudy, Goudy Farms Inc., and C. Harold Jackson/Nancy E. Jackson**

We are landowners along proposed route of the pipeline proposed by Union Gas Limited in its application in EB-2010-0381 and will be affected by the project. We wish to be intervenors in the hearing of the application, to receive copies of all documents filed in the proceeding and, if necessary, to submit interrogatories and evidence, to cross-examine witnesses and to submit argument to the Board. We are particularly interested in the detailed route proposed for the pipeline, construction methodology and the requirement for any temporary work space or permanent easement on the lands of private landowners adjacent to Wonderland Road North. We do not oppose the hearing of the application in writing, and ask to be heard in English. All communications in this proceeding can be directed to us by email at [iangoudy@sympatico.ca](mailto:iangoudy@sympatico.ca) and [h.n.jackson@sympatico.ca](mailto:h.n.jackson@sympatico.ca).

We wish to reserve our right to seek a costs award from Union Gas for our participation in this proceeding including any legal or consultant costs we reasonably incur. As directly affected landowners, we are eligible for a costs award and ask the Board to make an order of costs eligibility.

Yours truly,

**Ian Goudy, on his own behalf and on behalf of Goudy Farms Inc., and  
C. Harold Jackson/Nancy E. Jackson**
