**Re: Kenora Hydro Electric Corporation Ltd. – EB-2010-0135**

Kenora Hydro Electric Corporation Ltd. will be unable to complete the OEB and VECC interrogatories to our Cost of Service Rate Application by the January 31, 2011 deadline. With the new billing requirements of the OCEB, the required changes to arrears management policies, and additional year end requirements, Kenora Hydro will be unable to submit completed responses by January 31. Our target for completion and submission is February 11, 2011.

Yours truly,
