Dear Ms. Walli:

Board File No. EB-2010-0142
Toronto Hydro-Electric System Limited – 2011 Cost of Service Application
Submissions of Energy Probe – Revised Schedule

Pursuant to Procedural Order No. 8, issued by the Board on January 27, 2011, Energy Probe Research Foundation (Energy Probe) has reviewed the letter received from counsel to Toronto Hydro dated January 26, 2011, as well as a letter from counsel to the School Energy Coalition received earlier today in the EB-2010-0142 proceeding.

While Energy Probe does agree with the Applicant that it is appropriate for the Board to strike a revised schedule based on Toronto Hydro's intention to file new and updated evidence, it appears premature to issue a new schedule prior to the material being filed. We are in substantial agreement with the position expressed by Mr. Shepherd on behalf of the School Energy Coalition.

All of which is respectfully submitted.

Yours truly,
