Board Secretary
Ontario Energy Board

Dear Ms. Walli:

Re: EB-2007-0897 (GRAM Application)

It has been brought to our attention that the EB-2007-0897 Rate Handbook which was approved in the Board's Decision and Rate Order dated December 18, 2007 contains an error within the Terms and Conditions of Service section at Pages 1 to 8 of the Rate Handbook. Enbridge inadvertently filed its proposed 2008 Rates Case (EB-2007-0615) Terms and Conditions of service section which is pending approval within Enbridge's EB-2007-0615 rate case.

Enbridge is herein filing a corrected Rate Handbook and is requesting that the Board amend its EB-2007-0897 Board's Decision and Rate Order as it relates to the Terms and Conditions of Service section. The Company is filing the complete Rate Handbook including the Rate Schedules. This correction in no way affects the approved rates and service charges which were approved in the EB-2007-0897 Rate Order and are effective January 1, 2008. The correction only pertains to Pages 1 to 8 of the Terms and Conditions of service section.

On December 18, 2007, the Board also issued a decision within Enbridge EB-2007-0615 rate case declaring Enbridge's EB-2007-0897 rates interim effective January 1, 2008. Enbridge was directed to file an Updated Rate Handbook pertaining to EB-2007-0897 indicating these rates were interim. This updated rate handbook consequently contained the incorrect Terms and Conditions of service. Enbridge is therefore also attaching a corrected version of the Interim EB-2007-0897 Rate Handbook.

Enbridge request that the Board approve the corrected Terms and Conditions of service as soon as possible and if possible before January 1, 2008. Enbridge apologizes for an inconvenience this may cause the Board and Intervenors.

Yours truly,
