**Re: Middlesex Power Distribution Corporation –Main, 2011 IRM2 Application
Board File No.: EB-2010-0098**

Dear Ms. Walli,

In accordance with the Notice of Application and Written Hearing, Middlesex Power and Distribution Corporation – Main (“MPDC – Main”) has reviewed the submissions provided by Board Staff and VECC. MPDC – Main agrees with those submissions.

Please note that, On January 25, 2011, the OPA issued revised 2006-2009 CDM results to MPDC – Main, updating the report originally provided on December 1, 2010. These changes result in a reduction of the \$75,174 LRAM noted in the response to Board Staff interrogatory number 1 by \$17. MPDC – Main requests no changes but wants to call this to the attention of Board Staff and VECC.

MPDC – Main has no further submissions and thanks the Board Staff for their assistance in this IRM2 Application.
