Dear Ms Walli:

**Re: Orillia Power Distribution Corporation - Application for 2011
Electricity Distribution Rates EB-2010-0106**

Orillia Power Distribution Corporation ("Orillia") filed an application seeking new distribution rates to be effective May 1, 2011 based on the 2011 IRM3. The Vulnerable Energy Consumers Coalition (VECC) is the only intervenor in this proceeding. Orillia filed responses to Board Staff and VECC interrogatories on January 6, 2011. Written submissions were filed by Board Staff and VECC on January 26, 2011.

Orillia has reviewed the submissions and agrees with the positions of Board Staff and VECC in regards to proposed adjustments to the revenue-to-cost ratio model and the proposed updated LRAM amount of \$114,517.

Orillia has no further submission and would like to thank Board Staff and VECC for their cooperation in this matter.

Yours truly,

Patrick Hurley B. Math., CMA
Treasurer
Orillia Power Distribution Corporation
