**Re: Response to Board Staff Interrogatories on London Hydro Inc. 2008
Incentive Rate Mechanism Application - EB-2007-0844**

We have received the Board Staffs interrogatories for the above noted application, and we are enclosing 2 hard copies of our response to those interrogatories. Additionally, this document has been filed through the Boards RESS electronic filing system in searchable / unrestricted PDF format under the file name – London_IRR_OEB_20080102

Interrogatory # 1 - Ref.: 2008 IRM Model, Sheet 3 (2007 Tariff Sheet)

1. Monthly Rates and Charges for Unmetered Scattered Load

A review of your current 2007 Board approved Tariff of Rates and Charges indicates that the Service Charge should include the descriptor “(per connection)”, however your 2008 model does not reflect this.

Response to Interrogatory # 1

In the process of completing the input of information on Sheet 3 (2007 Tariff Sheet) we neglected to insert the descriptor “(per connection)” after the words Service Charge. This was an error on our part, as the correct wording should be “Service Charge (per connection)”.

Interrogatory # 2 - Ref.: 2008 IRM Model, Sheet 3 (2007 Tariff Sheet)

2. Monthly Rates and Charges for Sentinel Lighting

3. Monthly Rates and Charges for Street Lighting

Interrogatory # 4 - Ref.: 2008 IRM Model, Sheet 3 (2007 Tariff Sheet)

4. Monthly Rates and Charges for Specific Service Charges

You have entered a bill determinant unit of “0” for rows 415 to 419. A review of your current 2007 Board approved Tariff of Rates and Charges indicates that the unit for these charges should be “\$”, however your 2008 model does not reflect this.

Response to Interrogatory # 4

In the process of completing the input of information on Sheet 3 (2007 Tariff Sheet) we neglected to insert the unit for these charges for rows 415 to 419. The correct unit for these charges is \$, as you have indicated.

Yours truly
