The Board's Notice of Application and Written Hearing for an electricity generation licence was posted on December 31, 2010. No parties responded to the Notice of Application and Written Hearing.

After considering the application, I find it to be in the public interest to issue the electricity generation licence under Part V of the Act.

The application for an electricity generation licence is granted, on such conditions as are contained in the attached licence. It is also a condition of this order that the Applicant comply with the terms of the connection agreement for a small embedded generation facility or a mid-sized embedded generation facility as set out in Appendix E to the Distribution System Code.
