**NOTICE OF INTERVENTION**

**OF**

**VULNERABLE ENERGY CONSUMERS COALITION (VECC)**

To: Ms. Kirsten Walli  
Board Secretary

And to: PUC Distribution Inc.  
Attn: Jennifer Uchmanowicz

1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
  - (a) The Federation of Metro Tenants Association
  - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street  
Toronto, ON  
M5B 1L2

3. The Ontario Coalition of Senior Citizens' Organizations (OCSCO) is a coalition of over 120 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO's mission is to improve the quality of life for Ontario's seniors. OCSCO's address is:

500-3101 Bathurst Street  
Toronto, ON  
M6A 2A6

4. The name and address of the agent authorized to receive documents on behalf of VECC is:

Mr. Michael Buonaguro

(416) 348-0641 (fax)  
mbuonaguro@piac.ca

5. VECC would request that all correspondence and documentation also be copied to VECC's consultant:

Mr. Bill Harper  
Econalysis Consulting Services  
34 King Street East, Suite 1102  
Toronto, Ontario  
M5C 2X8  
(416) 348--193 (office)  
(416) 348-0641 (fax)  
bharper@econalysis.ca

6. VECC requests that copies of the Application and any additional supporting materials be forwarded to each of the two parties named above.
7. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity are fully represented in the determination of just and reasonable rates for 2008. A preliminary review of the Application has identified the following areas of the Application as being of interest to VECC: a) the significant increase (over 30%) in required distribution revenues; b) the proposed cost allocation shifts between customer classes and c) the rate design changes..
8. VECC is currently of the view that these issues and others may be satisfactorily addressed by a written proceeding provided there is opportunity for parties to ask interrogatories. However, depending upon

the responses received, there may be merit in the Board sponsoring a Technical Conference, which would be transcribed but not necessarily involve the Board Panel, to further clarify certain issues.

9. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its Practice Direction on Cost Awards (Section 3.03).

DATED AT TORONTO, THIS 2<sup>nd</sup> DAY OF JANUARY, 2008

Counsel for VECC
