Ms. Kirsten Walli, Board Secretary  
Ontario Energy Board

Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Notice of Hearing for Cost Awards  
Implementation of the Consumer Protection (Retailer/Marketer)  
Provisions of the *Energy Consumer Protection Act, 2010*  
OEB File No. EB-2010-0245**

This letter is sent in response to the Board's February 1, 2011 Notice of Hearing for Cost Awards ("Notice") in this matter. Attachment A of the Notice lists Toronto Hydro Energy Services Inc. (TH Energy) among the "Active Licensed Suppliers Reporting Low-volume Consumer Customers", and among whom the Board proposes to apportion costs of this proceeding based on their respective share of the low-volume consumer market.

TH Energy wishes to advise the Board that it ceased to retail electricity to customers in December 2006 and since then has carried out only retailer-consolidated billing as a fee for service under its Electricity Retailer Licence. Accordingly, no costs of this proceeding should be apportioned to TH Energy since TH Energy holds no market share of Ontario electricity retailer customers.

Please contact me if you have questions on this matter.

Yours truly,
