Dear Mr. Goulet:

**Re: Eacom Timber Corporation - Application for Electricity Wholesaler Licence

The Board has reviewed your application for an electricity wholesaler licence. Your application is currently incomplete and cannot be processed until the following has been filed:

- Section 9 Finance:
 1. Please provide a proper bank reference letter. A bank reference letter should be a letter addressed to the Board from the applicant's bank stating the length of time of the banking relationship, the range of account balance or credit limit and the standing of the accounts.
 2. Please provide unaudited financial statements that are signed by a key individual. The financial statements must have the original signature written on the copies provided to the Board.
- Section 10 Technical Resources – Please give greater detail in your answer to the technical resource question. Please provide information on the technical qualifications of at least one person employed by the applicant to handle matters relating to purchasing electricity in the IESO market.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@oeb.gov.on.ca.
