IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act, 1998* by
Suncor Energy Products Inc. to amend Schedule 1 of
electricity generation licence EG-2007-0015.

By delegation, before: Jennifer Lea

DECISION AND ORDER

Suncor Energy Products Inc. ("Suncor Energy") filed an application on November 9, 2010 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act, 1998*, to amend Schedule 1 of its electricity generation licence, EG-2007-0015 to authorize Suncor Energy to own and operate two electricity generation projects, Kent Breeze Corp. and MacLeod Windmill Project Inc. Other than the addition of the projects, there are no other changes to the entity. All other information remains the same.

In support of its application to amend Schedule 1, Suncor Energy filed with the Board the following evidence:

1. OPA contract RESOP13162 for generator MacLeod Windmill Project Inc.
2. OPA contract RESOP10306 for generator Kent Breeze Corp.
3. RESOP Contract Amending Agreement, RESOP 13162 for generator MacLeod Windmill Project Inc.
4. RESOP Contract Amending Agreement, RESOP10306 for generator Kent Breeze Corp.

The applicant stated that the amending agreements were necessary to reflect a change of ownership of the projects. The amended agreements name Suncor Energy as the owner of the generators.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the amendment to allow Suncor Energy to own and operate the generation facilities. The licence amendment is granted.

IT IS ORDERED THAT:

Schedule 1 of electricity generation licence EG-2007-0015 is amended to authorize Suncor Energy to own and operate the two RESOP projects, Kent Breeze Corp. and MacLeod Windmill Project Inc. The amended licence is attached to this Order.
