Dear Rene

**RE: Harris Billing Service**

Further to your call today we have reviewed the summary of the on going charges for the billing service that are in addition to the per bill cost in the table you have provide (shown below) and they are correct. As we indicated in our letter of August 28, 2007 there maybe some minor adjustment as we move through the implementation phase of the project but if there are any changes they should be minor.

<b>On Going Costs</b>	<b>New Charges</b>	<b>Previous Charges</b>	<b>Charge</b>
Harris Proposal for 3 <sup>rd</sup> Party Licences	<b>\$140</b>	<b>\$0</b>	<b>Annual</b>
ORPC allocation of Harris Licence maintenance cost	<b>\$10,000</b>	<b>\$8,166</b>	<b>Annual</b>
Retail and Wholesale Settlement (Pass through of Utilismart)	<b>\$ 150</b>	<b>\$0</b>	<b>Monthly</b>
EBT HUB and Spoke (Pass through of SPI	<b>\$ 150</b>	<b>\$0</b>	<b>Monthly</b>
Costs per enrolled customer or \$150 min. charge each month plus \$4,000 annual charge divided in 3 ORPC, H2000 & Embrun	<b>\$ 1,333</b>	<b>\$0</b>	<b>Annual</b>
<b>Total Annually</b>	<b>\$15,073</b>	<b>\$8,166</b>	<b>Annual</b>

The total incremental cost incurred by the new Harris Billing CIS is \$6,907.

If we can supply any further information, please let me know.

Yours truly,
