Dear Ms. Walli:

**EB-2011-0021 – Hydro One Remote Communities Inc. Application for an Exemption from Sections 2.7.1.2, 2.7.2, and 7.10 of the Distribution System Code and Low-Income Energy Assistance Program**

---

This letter is to inform the Board that Hydro One Remote Communities Inc. intends to amend their application for exemptions to certain sections of the Distribution System Code submitted on December 23, 2010 and given file number EB-2011-0021.

Since the application was filed Remotes has found 2 other codes that they are requesting an exemption for as well as they plan to provide further evidence to assist the Board in their decisions regarding these exemptions.

Remotes is therefore requesting that the pending application EB-2011-0021 be placed on hold until Remotes completes its amendments to this application. It is anticipated that the application will be re-submitted by the end of February 2011.

Sincerely,
