Our File No. 20100199

Ontario Energy Board

Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2010-0199 – Gas Market Review

We are counsel for the School Energy Coalition.

SEC has had an opportunity to review the cost claim submitted yesterday in this matter by CME. It is SEC's policy not to comment on the cost claims of other parties. However, in this instance we believe it is appropriate to bring to the Board's attention the fact that the hours spent by SEC on this matter were 32, 15 below the Board's cost claim allowance for this proceeding. The primary reason for that was our reliance on the work done by CME and the expert retained by them on behalf of seven intervenors.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.
