Kirstin Walli, Board Secretary
Ontario Energy Board
PO Box 2319
Suite 2701
2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms Walli:

**Re: Ontario Power Generation Inc./Application/EB 2007-0905
Letter of Intervention of the Consumers Council of Canada**

We are counsel to the Consumers Council of Canada (the "Council").

We have been instructed by our client to intervene in the application of Ontario Power Generation Inc. seeking approval for increases in payment amounts for the output of certain of its generating facilities.

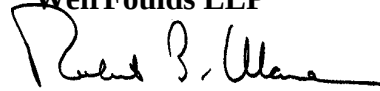

The Council is a non-profit, public interest entity, representing the interests of residential consumers of electricity in Ontario. The outcome of the proceeding will have an impact on the rates paid by residential consumers of electricity.

The Council intends to seek an order, at the conclusion of the proceeding, for its costs. The Council represents the interests of consumers of electricity in Ontario. It has no funds of its own to support its intervention in the application. The Council has participated in many Board proceedings dealing with the regulation of the electricity sector generally and the setting of transmission and distribution rates, in particular. In every case, the Council has been found to be eligible to apply for and to receive an award of costs.

We would appreciate your having all notices with respect to the proceeding, and copies of all evidence, delivered to the writer. In addition, copies of all materials should be sent to the Council's consultant, Julie Girvan. Ms. Girvan's contact information is: 2 Penrose Road, Toronto, ON M4S 1P1, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

Yours very truly,

WeirFoulds LLP
