Dear Mr. Simpson:

**Re: Toronto Hydro-Electric System Limited

Solar Generation Projects
Board File No. EB-2011-0033**

On January 31, 2011, Toronto Hydro-Electric System Limited filed two notice of proposals under section 80 of the *Ontario Energy Board Act, 1998*, advising the Board of its intention to acquire an interest in generation.

Toronto Hydro-Electric System Limited intends to construct and operate two 250 kW rooftop solar PV generating facilities located at 500 Commissioners Street and at the Better Living Centre at Exhibition Place in the City of Toronto.

This letter is to inform you that the Board does not intend to issue a notice of review of these proposals.

Yours truly,
