Dear Ms. Walli:

EB-2010-0345 – Niagara West Transformation Corporation Transmission Revenue Requirement Application – Follow-up to Interrogatory Responses

Hydro One Networks has reviewed NWTC's responses to the interrogatories filed by Board Staff and intervenors in this proceeding. There are a number of interrogatories to which NWTC replied "not applicable" and instances where the responses provided raise further questions about issues in this application.

Hydro One would be supportive of an additional opportunity, such as a technical conference, to clarify and follow-up on some of the responses provided by NWTC.

Sincerely,

ORIGINAL SIGNED BY ANDREW SKALSKI
