Kirsten Walli, Board Secretary
ONTARIO ENERGY BOARD
2300 Yonge Street, Suite 2700
Toronto, ON
M4P 1E4

Dear Ms. Walli:

**Re: EB-2011-0030: ABW Solar General Partnership Application for an Electricity
Generation Licence**

We are counsel to ABW Solar General Partnership (“**ABW**”), the applicant herein.

We write in response to the Board’s Letter of Direction dated February 24, 2011 (the “**LOD**”). In particular we reference the LOD directions provided to ABW to post the Notice of Application and Written Hearing (the “**Notice**”) issued therein on ABW’s website, “*if available*”, and to advise the Board Secretary when the Notice has been so posted.

As noted in the addendum provided as part of ABW’s application to the Board dated January 28, 2011, ABW was only formed as of December 23, 2010. ABW does not currently maintain a website. In these circumstances, it is our understanding, based on oral advice obtained from Board Staff and the “*if available*” qualification in the first point of the direction of the Board in the LOD, that the applicant is excused from a requirement to post the Notice to its website.

Yours truly,

Danielle Waldman
