Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, Ontario M4P 1E4

Dear Ms. Walli:

Re: Enbridge Gas Distribution Inc. ("Enbridge")
Board No: EB-2010-0277 – Clearance of DSM Variance Accounts Application

On January 12, 2011, Enbridge filed an Application for an order or orders approving the balances and clearance of the 2009 Demand Side Management Variance Accounts into rates, as at July 1, 2011.

Pursuant to the Ontario Energy Board's ("Board") Procedural Order No. 1, Enbridge served a copy of its Application on the Intervenors named in the Procedural Order and each member of its 2009 DSM Consultative. Under the Procedural Order, parties had until February 17, 2011 to make written submissions, and Enbridge has the right to respond by March 3, 2011. This letter constitutes Enbridge's response.

One submission was received by the Board from the Ontario Sustainable Energy Association supporting Enbridge's Application. No submissions were filed in opposition to the Application. This is consistent with Enbridge's belief, as set out in the covering letter accompanying the Application, that no member of its 2009 DSM Consultative was opposed to the Board approving the Application.

Accordingly, Enbridge respectfully requests Board approval for this Application.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lesley Austin', written over a horizontal line.
