**Re: 2010 Natural Gas Market Review
Enbridge Gas Distribution Inc. ("Enbridge")
Ontario Energy Board ("Board") File No.: EB-2010-0199
Comments on Intervenor Cost Claims**

In accordance with the Ontario Energy Board's (the "Board") Notice of Hearing for Cost Awards dated January 31, 2011, with regards to the above noted proceeding, Enbridge Gas Distribution (the "Company") has reviewed the cost claims it has received from the Association of Power Producers of Ontario ("APPPO"), Consumers Council of Canada ("CCC"), Canadian Manufacturers & Exporters ("CME"), the Council of Canadians ("COC"), Energy Probe, the Federation of Rental-Housing Providers of Ontario ("FRPO"), Industrial Gas Users Association ("IGUA"), London Property Management Association ("LPMA"), School Energy Coalition ("SEC"), and Vulnerable Energy Consumers Coalition ("VECC").

Within its cost claim, CME explained it's time claimed in relation to the Boards allowed hours for the proceeding and the Company does not object to CME's claim. The Company finds all other cost claims to be within the thresholds imposed for this proceeding and to be consistent with the allowances of prescribed rates within the cost assessment guidelines and has no objection to these claims.

The Company awaits the recommendation and or cost awards of the Board with respect to these Intervenor cost claims.

The Company reserves the right to make submissions regarding any outstanding Intervenor cost submissions which are subsequently received.
