Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**RE: Newmarket – Tay Power Distribution Ltd.
Filing in accordance with the Ontario Energy Board’s Decision
and Order
EB-2010-0295**

On February 28, 2011, Newmarket – Tay Power Distribution Ltd. (“NTPDL”) requested a 24 hour extension to the filing timelines given in Order No. 6 of the Ontario Energy Board’s (the “Board”) Decision and Order of February 22, 2011 in the subject matter. This extension was requested to allow NTPDL’s Board of Directors to deliberate on the attached letter from the Minister of Energy received by NTPDL on February 28, 2011 (the “Minister’s Letter”) asking that NTPDL forgo the cost recovery determined in this proceeding.

NTPDL understands the underlying spirit of the Minister’s Letter and has decided that its costs and damages incurred as a result of the April 21, 2010 Minutes of Settlement in the late payment penalty class action will be managed internally and not recovered from its customers. NTPDL respectfully requests that the Board excuse it from filing a rate model and draft tariff of rates and charges for a recovery rate adder in accordance with Order No. 6 of the subject Decision and Order.

Yours truly,
