IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF applications by Summitt
Energy Management Inc. on behalf of Summitt
Energy LP to renew Electricity Retailer Licence ER-
2005-0541 and Gas Marketer Licence GM-2005-
0542.

By delegation, before: Jennifer Lea

DECISION AND ORDER

Summitt Energy Management Inc. on behalf of Summitt Energy LP (“Summitt”) filed an application with the Ontario Energy Board (the “Board”) dated December 3, 2010 under section 60 of the of the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, Schedule B (the “Act”) to renew its electricity retailer licence ER-2005-0541. The Board has assigned the application file number EB-2010-0368.

Summitt also filed an application with the Board dated December 3, 2010 under section 50 of the Act to renew its gas marketer licence GM-2005-0542. The Board has assigned the application file number EB-2010-0369.

On January 19, 2011 Summitt filed additional information to complete the renewal applications.

The licences that are the subject of the renewal applications were issued to the applicant on March 20, 2006 and remain in force until March 19, 2011. The licences provide that the term may be extended by the Board.

- 2 -

Because the current licences will expire prior to final determination of the renewal applications, and because the applicant wishes to continue to retail electricity and market gas to its customers in Ontario, the applicant has requested that the term of its electricity retailer licence ER-2005-0541 and gas marketer licence GM-2005-0542 be extended until the Board makes a final decision with respect to the renewal applications.

Considering the time required to process an application in accordance with the Board's established practice and procedures, and considering Summitt's need for licences to continue its electricity retailing and gas marketing activities in Ontario, I find that it is in the public interest to make an order extending the term of electricity retailer licence ER-2005-0541 and gas marketer licence GM-2005-0542 until such time as the renewal applications are determined or June 10, 2011, whichever is earlier. Summitt is reminded that this decision does not constitute a final decision on the applications.

IT IS THEREFORE ORDERED THAT:

The term of electricity retailer licence ER-2005-0541 and gas marketer licence GM-2005-0542 are extended until the final determination of the renewal applications or June 10, 2011 whichever is earlier.

DATED at Toronto, March 10, 2011
