ONTARIO ENERGY BOARD

IN THE MATTER OF
the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Sched. B), as amended;

AND IN THE MATTER OF
Preliminary Assessment of Incentive Regulation Plans of
the Natural Gas Utilities

NOTICE OF INTERVENTION
OF THE
VULNERABLE ENERGY CONSUMERS COALITION

To: Ms. Kirsten Walli
Board Secretary

1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
 - (a) The Federation of Metro Tenants Association (FTMA)
 - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association (the “FTMA”) is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street
Toronto, ON
M5B 1L2

3. The Ontario Coalition of Senior Citizens’ Organizations (“OCSCO”) is a coalition of over 120 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO’s mission is to improve the quality of life for Ontario’s seniors. OCSCO’s address is:

333 Wilson Avenue, Suite 406
Toronto, ON
M3H 1T2

4. The coalition of the FMTA and OCSCO under the name VECC has the specific mandate of intervening in proceedings to advocate on behalf of the interests of Ontario’s vulnerable consumers with respect to energy issues, primarily through intervention in regulatory proceedings at the Ontario Energy Board.
5. Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of

the interests of vulnerable consumers by ensuring the availability of competent representation and consultant support to the VECC participation.

6. The name and address of the agent authorized to receive documents on behalf of VECC is:

Mr. Michael Buonaguro
Counsel
c/o Public Interest Advocacy Centre
34 King Street East, Suite 1102
Toronto, Ontario
M5C 2X8
(416) 767-1666 (office)
(416) 348-0641 (fax)
mbuonaguro@piac.ca

7. VECC would request that all correspondence and documentation also be copied to VECC's consultants:

Dr. Roger Higgin
Econalysis Consulting Services
34 King Street East, Suite 1102
Toronto, Ontario
M5C 2X8
(416) 348--9391 (office)
(416) 348-0641 (fax)
rhiggin@econalysis.ca

Mr. James Wightman
Econalysis Consulting Services
34 King Street East, Suite 1102
Toronto, Ontario
M5C 2X8
(416) 348--0640 (office)
(416) 348-0641 (fax)
jwightman@econalysis.ca

8. It is VECC's understanding that the qualifications of its consultants are well known to the Board, and accordingly we have not enclosed copies of

their resumes with our intervention; their resumes are, however, available upon request.

9. VECC was accepted as a cost eligible intervenor in the proceedings that set the base year for both of the utilities, the proceedings that established the IRM regimes that are the subject of the within consultation, and the annual rate and earnings sharing applications for those regimes. Accordingly VECC continues to have an interest in the evaluation and development of the IRM regimes that produce the distribution rates that vulnerable energy consumers ultimately pay.
10. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
11. VECC's members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.
