Dear Ms Walli,

**Union Gas Limited ("Union")**  
**GRAM Application effective April 1, 2011**  
**Board File No.: EB-2011-0029**  
**Our File No.: 339583-00019**

I am writing on behalf of Canadian Manufacturers & Exporters ("CME"). Please consider this correspondence as CME's written comments on Union Gas Limited's ("Union") GRAM Application, which seeks changes to Union's gas supply and transportation rates to reflect changes to the forecasted cost of purchasing and transporting natural gas.

As the Board is aware, it is CME's practice to conduct a due diligence review of Union's GRAM applications. CME has also had the benefit of discussing the GRAM with Union. CME finds that the Application is in accordance with the Board-approved GRAM mechanism.

CME requests an award of its reasonably incurred costs in connection with conducting its examination of Union's GRAM Application. We will submit a claim for costs on behalf of CME if the Board responds favourably to this request.

Yours very truly,

A handwritten signature in dark ink, appearing to be 'VJ', followed by a long horizontal line extending to the right.
