Dear Ms. Walli

**Re: PowerStream Inc. ("PowerStream") 2012 Electricity Distribution Rate
Application EB-2011-0005**

PowerStream was considering filing a cost of service rate application for 2012 rates in 2011 as per our letter of October 25, 2010. In your letter of November 29, 2010, you acknowledged this request and indicated that an EB number would be issued in 2011. An email from the Board on January 5, 2011 provided a file number of EB-2011-0005.

PowerStream now intends to file third generation rate applications in 2011 for 2012 rates and to file a cost of service rate application in 2012 for 2013 rates. This corresponds with PowerStream's next regularly scheduled cost of service application for its legacy service area, PowerStream South.

If you have any questions, please do not hesitate to contact the undersigned.

Yours truly,

Tom Barrett
Manager, Rate Applications
