Dear Walli:

**Re: EB-2010-0331- Hydro One Brampton Networks Inc. and  
EB-2010-0332 Hydro One Networks Inc./Procedural Order No. 5- Cost Submissions**

We are counsel to the Consumers Council of Canada (the "CCC") in this matter.

We have received Procedural Order No. 5, directing intervenors who are eligible for an award of costs to file their cost submissions with the Board Secretary and the applicants on or before March 24, 2011.

The CCC's consultant, Julie Girvan, is currently out of the country, on vacation. Ms Girvan is not scheduled to be back from vacation until Sunday, March 27, 2011. In these circumstances, we respectfully request an extension for filing our client's cost submissions until Tuesday, March 29, 2011.

Your consideration and cooperation in this matter is appreciated.

Yours very truly,

**WeirFoulds LLP**
