Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc. - Exemption from Mandated Time of  
Use Pricing Date for Regulated Price Plan Consumers  
Board File No.: EB-2011-0028**

Enersource Hydro Mississauga Inc. ("Enersource") filed an application dated January 28, 2011 with the Ontario Energy Board under section 74 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B) for a licence amendment granting an exemption in relation to the mandated date for the implementation of Time-of-Use ("TOU") pricing rates for Regulated Price Plan consumers.

Enersource's mandatory TOU pricing date is June 2011. In its application Enersource requested an exemption from this date and a new TOU pricing date of May 2012. On March 16, 2011 Enersource amended its application with a letter introducing new evidence regarding the delays it has experienced implementing TOU pricing and requesting an indefinite exemption. Due to the additional evidence introduced into the proceeding the application requires further review and analysis.

The Notice of Application and Written Hearing stipulates all interrogatories on the application are due by March 18, 2011. Board staff respectfully requests additional time to review the application and new evidence and file interrogatories on the application. Board staff requests the new deadline for interrogatories be March 25, 2011.

Accordingly, Board staff requests all subsequent dates be extended by the same amount of time.

Yours truly,
