Re: 2011 IRM Rate Application for Halton Hills Hydro Inc.
EB-2010-0087

Dear Ms. Walli:

This letter is to confirm that Halton Hills Hydro Inc. is in agreement with the draft Tariff of Rates and Charges as issued by the Board on March 17, 2011, and effective May 1, 2011.

During our review of the final 3rd Generation IRM models, Halton Hills Hydro Inc. noticed that Tab O2.1-Calculation of Bill Impact on the Rate Generation Model did not accurately determine the bill impacts. Halton Hills Hydro Inc. recognizes that Tab O2.1 does not affect the final rates, however, Halton Hills Hydro Inc. kindly requests the Board send a revised Rate Generator Model that will correct Tab O2.1.

Further, Halton Hills Hydro Inc. will be filing this letter electronically through the OEB RESS on March 24, 2011.

Any questions or concerns can be directed towards, Tracy Rehberg-Rawlingson, Regulatory Affairs Officer, Halton Hills Hydro Inc., (519) 853-3700 extension 257, tracyr@haltonhillshydro.com.

Yours truly,

(original signed)

David Smelsky, CMA
Chief Financial Officer
Halton Hills Hydro Inc.
