Dear Ms Walli:

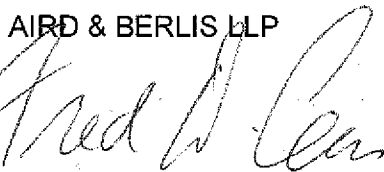

**Re: Ontario Power Authority – 2011 Revenue Requirement Submission
EB-2010-0279**

We are writing on behalf of the parties that participated in the Settlement Conference in this matter to advise the Board of the outcome of the Settlement Conference. There was no settlement reached at the Settlement Conference, but we are able to inform the Board that no party has any issues with respect to Deferral and Variance Accounts (Issues 8.1 and 8.2 in the Issues List).

We have received a copy of a letter written to the Board today on behalf of the Green Energy Coalition that alludes to the outcome of the Settlement Conference and puts forward a request for an oral hearing. The Ontario Power Authority reserves its rights to respond to this request pending any comments or submissions from other parties.

Yours truly,

AIRD & BERLIS LLP
