## **REVISED RATE ORDER**

### **Introduction**

Haldimand County Hydro Inc. ("Haldimand County"), a licensed distributor of electricity, filed an application with the Ontario Energy Board (the "Board") on October 29, 2010, under section 78 of the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Haldimand County charges for electricity distribution, to be effective May 1, 2011.

In its Decision and Order on the Application issued on March 28, 2011, the Board ordered Haldimand County to review the draft Tariff of Rates and Charges and to file with the Board a written confirmation assessing the completeness and accuracy of the draft Tariff of Rates and Charges, or provide a detailed explanation of any inaccuracies or missing information, within seven calendar days of the date of the Decision and Order.

On April 4, 2011, Haldimand County filed a letter and noted the following inaccuracies in the draft Tariff of Rates and Charges:

- The Retail Transmission Rate – Network Service Rate and the Retail Transmission Rate – Line and Transformation Connection Service Rate for the Embedded Distributor Service Classification for Hydro One Networks Inc. should have been adjusted to include the Board-approved 2010 loss factor. The correct rates are \$2.8851/kW and \$2.3183/kW respectively.
- The Retail Transmission Rate – Network Service Rate for the Sentinel Lighting Service Classification was inadvertently not rounded to 4 decimal places. The correct rate is \$1.7549/kW.

The Board accepts Haldimand County's submission and has revised the Tariff of Rates and Charges.

**THE BOARD ORDERS THAT:**

1. The revised Tariff of Rates and Charges set out in Appendix A of this Order will become final effective May 1, 2011, and will apply to electricity consumed or estimated to have been consumed on and after May 1, 2011. Haldimand County shall notify its customers of the rate changes no later than with the first bill reflecting the new rates.
