OEB Case EB-2010-0101

Rate Riders for Recovery of Late Payment Penalty Litigation Costs

Dear Ms. Walli

At its meeting on March 31, 2011, the Board of Directors of Niagara-on-the-Lake Hydro Inc. ("NOTL") decided that they wish not to implement the rate riders for Recovery of Late Payment Penalty Litigation Costs that were approved by the OEB in the Decision and Order dated March 17, 2011. Accordingly, NOTL requests that these riders be removed from the Tariff of Rates and Charges in Appendix A of the Decision.

Yours truly
