Dear Ms. Walli:

Re: Essex Powerlines Corporation Request for Leave to Sell Distribution Assets to Hydro One Networks Inc.

Essex Powerlines Corporation seeks the Board's approval under Section 86(1)(b) of the Ontario Energy Board Act ("the Act"), 1998, for leave to sell assets to Hydro One Networks Inc.. Given that the proposed sale has no material effect on any other party, we ask that the Board dispose of this proceeding without a hearing under Section 21(4)(b) of the Act. A letter from Hydro One Networks Inc. consenting to: i) the transfer of assets without hearing, ii) the description and location of the assets and iii) the sale price is also attached.

The assets being sold in this transaction are described in the attached application and are illustrated in the attached map.

Should you have any questions on this application, please contact Mark Alzner at (519)737-9811 ext. 50 or via email at malzner@essexpowerlines.ca.

If you have any questions, please feel free to contact me.

Sincerely,
