Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: OSEA Request for an Oral Hearing
Board File No. EB-2010-0279 Ontario Power Authority Proposed Fiscal 2011
Expenditure and Revenue Requirement

We are counsel for the Ontario Sustainable Energy Association (OSEA) in this matter.

An oral hearing will be the most efficient and effective way to present and review evidence and examine the outstanding issues in this matter.

We agree with GEC, CEEA, Pollution Probe and LIEN that the Board should hold an oral hearing in this matter. These parties, as well as other intervenors, have provided detailed reasons to establish the need for an oral hearing. We do not intend to repeat those reasons.

Yours truly,

Cherie Brant
