Dear Ms. Walli:

**EB-2010-0023 – Hydro One Networks' Section 99 Bruce to Milton Transmission Reinforcement project – Hydro One Networks Comments on Intervenor Cost Claims**

---

I write to advise that Hydro One will raise no issues with respect to the claim from Fallis, Fallis & McMillan, and Catherine Gale Walford.

With respect to the costs claim from Robert Watson, Hydro One would request the Assessment Officer ensure that the all the disbursement receipts have been received and match what has been claimed.

With respect to the costs claim from The Ross Firm Group, Hydro One would request the Assessment Officer check the arithmetic on the Form 1s and on Form 3.

With respect to the costs claim from Jeffrey Todd Bruce and Bonnie Bruce, Hydro One would request the Assessment Officer ensure that the claimed hourly rates meet the OEB's Practice Direction on Cost Awards, that there are curriculum vitae for the legal counsel and the consultants and disbursement receipts have been received and match what has been claimed.

Sincerely,
