April 13, 2011

Kirsten Walli  
Board Secretary  
Ontario Energy Board,  
2300 Yonge St.  
Suite 2700, P.O. Box 2319  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: OEB File No. EB-2010-0104  
Oakville Hydro Electricity Distribution Inc.  
2011 Distribution Rate Adjustment Application**

On April 7, 2011, the Ontario Energy Board (the "Board") issued a Rate Order with respect to the above mentioned proceeding. In its Rate Order, the Board ordered that Oakville Hydro Electricity Distribution Inc. (Oakville Hydro) review the draft Tariff of Rates and Charges set out in Appendix A of the Rate Order and file written confirmation of completeness and accuracy of the draft Tariff of Rates and Charges or provide a detailed explanation of any inaccuracies or missing information.

In accordance with the Board's order, Oakville Hydro hereby advises the Board that the *Rate Rider for Global Adjustment Sub-Account Disposition (2011), effective until April 30, 2012* is missing from the draft Tariff of Rates and Charges for the following service classifications:

- General Service 50 to 999 kW Service Classification
- General Service 1,000 kW and Greater Service Classification
- Sentinel Lighting Service Classification

Oakville Hydro notes that the *Estimated Non-RPP Billed kW* are missing from column B of worksheet *G1.1b Dist Glob Adj Rate Rider* of the *2011 IRM Deferral and Variance Account Workform*.

Oakville Hydro respectfully requests that Board staff make the necessary correction(s) to the *2011 IRM Deferral and Variance Account Workform* and reissue the Tariff of Rates and Charges.

Should there be any questions, please contact me at the number below.

Respectfully Submitted,
