Dear Andrya Eagen:

**Re: Chatham-Kent Hydro Inc. ("Chatham-Kent") - 2011 IRM3  
Board File Number EB-2010-0074 – Correction to Decision**

This letter acknowledges receipt of your Tariff sheet confirmation letter dated March 24, 2011. In that letter, Chatham-Kent confirmed the correctness of the Tariff sheet and also noted that the revenue-to-cost ratio target range in Table 2 of the 2011 IRM Decision and Order for the Intermediate rate class should be 80% - 180% and not 85% - 115% as identified in the Decision.

On April 7, 2011 Chatham-Kent filed another letter explaining that the incorrect ratio was the result of a typo in an appendix to the settlement agreement filed with the Board on February 14, 2011.

The Board has today issued a corrected version of this Decision which is attached. The correct revenue-to-cost ratio target range for the Intermediate class is shown at Table 2 on page 8 of the corrected Decision and Order.

Yours truly,

*Original Signed by*

Board Secretary
